

Welcome to our new menu

created with care for our planet

SIPS is proud to be the first not-for-profit organisation to have signed the Sustainability West Midlands Net-Zero Pledge. Our mission is to reduce our organisation's environmental impact.

Partnership Approach

We work with schools and pupils, attending Eco-councils and assemblies to share ideas. Look out for events and displays in schools over the coming months.

Our suppliers are committed to playing their part too.

This year, Quorn will plant 60 trees in our name as part of a sustainable forest initiative. We work in partnership with them to create delicious, healthy, sustainable meat-free dishes for our customers.

Together
we make a
difference

Our Daily Pledge

Our kitchen teams have pledged to support their school and the environment

- ✓ Switch off all lights and equipment when not in use.
- ✓ Make sure dishwashers and equipment are full before use, to maximise efficiency.
- ✓ Use no more than the amount of water required.

♻️ All of our Food Waste is collected and recycled. So far we have returned 3150,000 KWh(e) of energy to the national grid!

♻️ For every kilo of food waste recycled we have prevented 2.5kg of CO₂ going into landfill.

FREE SCHOOL LUNCHES

School meals for Reception, & Years 1 & 2 are FREE

They are worth over £450 per child, each year.* Older children in Years 3-6 may still be entitled to free school meals
